UNCERTIFIED CLASSROOM SUPERVISOR

Effective August 29, 2016

\$101.31 per full day

\$50.66 per full half day

The level of a position is determined by applying the criteria in the Northern Gateway Public Schools Classification Guide.

The Superintendent/designate, in consultation with school administrators or site supervisors, shall determine placement on the appropriate grid based on relevant training qualification and experience in a related field.

Only years of work experience relevant to the responsibilities of the position will be recognized.

The following criteria shall be used to determine the level of education.

- (a) Education must be relevant to the responsibilities of the position.
- (b) A Diploma or a Certificate of Successful Completion from a recognized educational institution or a certificate granting organization acceptable to the Superintendent/Designate is required to verify the number of hours of training.
- (c) Certificates with an expiry date will not be recognized.

B1-Level shall apply to those with 0-199 hours of relevant education.

B2-Level shall apply to those with 200-499 hours of relevant education.

B3-Level shall apply to those with 500 or more hours of relevant education. A practicum component shall be included for Teacher Assistant position.

Each step represents one (1) year of experience.

Casual employees shall be paid as 0 years of experience depending on the position being filled.

When an employee moves from one classification to another, his wage rate shall be determined in accordance with training and experience.

An employee is required to provide the Board appropriate documents that confirm relevant training and experience for his current position. If such documents are provided within sixty (60) calendar days of the date of hire, grid placement shall be effective the date of hire. If an employee fails to provide such documents within the time specified, grid placement shall be at the lowest point on the grid applicable to the position's level of classification. When documentation is provided after sixty (60) calendar days, changes to placement on the grid shall become effective the first month following receipt of such documents.
