

## BOARD HIGHLIGHTS

From November 12, 2014 Meeting

For Immediate Release

---

### Annual School Operational Viability Report

The Board received a report from administration which reviewed enrolments, school utilization, student programming and average per pupil instructional spending. The report was accepted as information.

### A Comprehensive Approach to Planning and Reporting

The Board received a draft of the publication *"A Comprehensive Approach – Looking Back: Annual Education Results Report 2013-2014 and Moving Forward: Three Year Education Plan 2014-2017."* This document is a combination of the Annual Education Results Review Report and the Three Year Education Plan.

A requirement of the Alberta Education, the Annual Education Results Review Report (AERR) outlines achievements in the Division, outcomes of strategies from the Three-Year Education Plan, highlights of capital plans, school highlights, strategies for success, as well as future challenges.

Also a requirement of Alberta Education, the Three-Year Education Plan addresses the goals of the Division and its progress towards reaching those goals, Strategies and outcomes set by the Division and the government listed, with progress in the various areas outlines. Results of Provincial Achievement Tests and Diplomat Examinations are also reported.
