(Comment briefly on why these particular challenges exist, and what action the School Council and School Administration are planning to take to address the challenges.)

We had an excellent year of activities and parent involvement at Hillside. Most of which is credited to being efficient and respectful of parents time and commitment, being realistic on what is necessary and expected for school council. Creating meetings that meet the needs of school council and the attending parents. Hillside has great parents and staff that work well together to create a successful and productive school council meeting month after month.
