Develop culinary skills under a red seal chef, learning knife techniques and international cooking styles. Gain a Safe Food Handling Certification, paving the way for a career in the culinary or hospitality industries.

To register, scan the QR code or visit ngps.ca

TWO-WEEK BOOTCAMPS

Early Childhood Care

TWO WEEKS: July 1-5 AND July 8-12

EARN 5 CREDITS

Explore the rewarding field of early childhood care and education in this comprehensive two-week course. Gain hands-on experience and learn about child development and childcare practices. This course prepares you to apply for your Level 1 Early Childhood Educator Certificate and explore a career in childcare.

PE 10 / CALM 20 Combined Course

TWO WEEKS: July 1-5 AND July 8-12

EARN 6 CREDITS

Complete two essential graduation requirements—PE 10 and CALM 20—in a focused two-week bootcamp. This combined course is perfect for students looking to free up their schedule or who need to fulfill these credits for graduation. Full attendance over the two weeks is necessary to earn credits in both subjects. Priority is given to students entering grade 12 who require these courses to graduate.

Thank you to our partners

Welcome to Career Exposure Summer Camps 2024.

Earn high school credits and gain hands-on experience while honing a skill, exploring a passion, or trying out a new interest.

Camps are FREE and offered to students in grades 9-12.

With exception of the two-week bootcamps, camps run for one week and are offered in week 1 and/or week 2. Take advantage of the summer and register for both weeks.

CAMPS RUN:

July 1-5 and/or July 8-12

9 a.m. - 3:30 p.m.

at Hilltop Jr/Sr High School

To register, scan the QR code or visit ngps.ca

Art & Design

WEEK 2: July 8-12

EARN UP TO 3 CREDITS

Explore your artistic potential by working with various media and connecting with your culture and community. This course helps students develop skills and a professional artist's portfolio, exploring art as a viable career path.

Aesthetics & Hairstyling

WEEK 1: July 1-5

EARN UP TO 3 CREDITS

Dive into beauty and hairstyling with expert instruction. Learn makeup, manicures, nail art, and advanced techniques like braiding and bridal updos. Unlock your creative potential and prepare for a career as an esthetician.

Baking Brilliance

WEEK 1: July 1-5
